Lead With a Digital-First Mindset

- Transform Duluth into a digitally-led organization integrating data and digital technology into all areas of our business, fundamentally changing how we operate and deliver value to customers.
- Our digital transformation will provide the structure for how we prioritize our short, mid, and long-term efforts, investments, and overall operations of the business.
- We will deepen relationships and build brand loyalty with our customer primarily through digital experiences.
- Focus on more active, personalized engagement achieved through leveraging firstparty data and one-on-one communication based on customer preferences, informed by data that is shared by customers throughout the value exchange cycle.
- We will digitally enable operations to stay competitive, improve efficiency and deliver value creating results.

Intensify Efforts to Optimize Our Owned DTC Channels

- Increase our focus and investments in our direct channel as our primary growth vehicle
- Our customer places a high value on our stores and they will continue to serve as a critical piece of the omnichannel ecosystem:
 - > Convenient touchpoint for services like buy online pick-up in store/curbside, ship to store, and returns & exchanges
 - Stores play an important role in servicing business needs, such as online fulfillment
- We are conducting research to better inform our future store decisions including location and size:
 - Market research will provide better insight into the size and composition of markets and the opportunity to capture share
 - > Identify what the store of the future should look like at Duluth to best serve the needs of our customers and deliver sustainable growth and profitability
- Refine store "selling & service" model to drive continuous improvements in key KPI's

Evolve our Multi-brand Platform as a New Pathway to Grow the Business

- Ladder to the Greater Purpose: "Celebrating the can-do spirit by enabling anyone who takes on life with their own two hands."
- Focus on features, benefits, durability, innovation and a strong value proposition
- Prioritize size inclusivity; understand how our customer likes clothes to fit
- Focus on **provocative**, **break-through marketing** in each brand through media channels consumed by the target customer

September 3, 2021

Test & Learn to Unlock Long-term Growth Potential

- Gain operational learnings to implement whole including logistics, systems and people needed to scale efficiently
- Gain direct-from-manufacturer operational learnings to offer unique and customized products based on customer's preferences
- Test the viability of potential drop-ship model
- Seek compelling partnerships with brands that share common threads with Duluth Trading portfolio brands

September 3, 2021

Increase and, in Some Areas, Accelerate Investments to Future Proof the Business

- Analyze and identify investments that will allow us to scale more easily and effectively, as well as deliver on ever-evolving customer expectations:
 - Increased investments in automation across our logistics network to strengthen our supply chain resilience and increasing speed from click to door
 - > Further investments in technology to improve overall operations, generate positive impact and sustainable returns
 - Enhance our multi-brand platform to support growth through multiple brands, and seamlessly integrate new brands into the portfolio
 - > Attract talent, skillsets, and expertise needed to scale the business
