Dear Fellow Shareholders,

We're pleased to invite you to our 2022 Annual Meeting of Shareholders in person, which will take place in our headquarters location, 201 East Front Street, Mount Horeb, Wisconsin 53572, on May 26, 2022, at 8:30am Central time.

As a company, we made significant strides throughout 2021 to evolve and embark on a journey to position our company to better compete and enable long term growth. Our results in 2021 highlight the progress we've made on seizing market growth opportunities and continuing to build a more flexible and profitable business model. We grew Net Sales 9.4% over 2020 and delivered record level net income reflected in full year EPS of \$0.90 per diluted share. These outstanding results in 2021 reflect great execution by the team in the face of unprecedented supply chain disruptions and dramatic shifts in consumer shopping behavior.

Today's consumers set a high bar for what they expect in apparel and gear that enables them to take on life with their own two hands, to be more self-reliant and for how they choose to engage with brands. To that end, our Big Dam Blueprint is anchored on five strategic pillars: 1) lead with a digital-first mindset, 2) leverage our omnichannel model to meet customers where, when and how they want to engage with us, 3) aligning our family of brands to address customer's evolving lifestyles and activities, 4) test and learn to unlock new channels of growth and 5) invest in the enablement and future proofing of our enterprise.

In all that we do, we remain committed to managing the business in the best interest of our customers, employees and shareholders. We look forward to sharing more in 2022 and beyond around what we're doing on ESG initiatives. More broadly, we view our company's greater purpose to be centered around three facets.

- Humanity – People are the most important part of the Duluth Trading family. We care about enriching a workforce of hardworking folks from all walks of life, in a safe, supportive environment
- Community – Everyone deserves the pleasure of knowing a hands-on way of life. Duluth trading is committed to introducing new generations and new audiences to living on terms that are their own
- Sustainability – We strive to minimize our impact on mother earth. With sustainably made products, building with long-lasting durability in mind, and eco-friendly packaging, we work to help do our part

Lastly, Duluth Trading Company is committed to good corporate governance. Our Board of Directors has taken several actions in recent years to enhance our governance practices. We appreciate your support as we continue to work to implement initiatives that will positively impact the performance and long-term value of the business for the benefit of all stakeholders.

Thank you on behalf of all of us at Duluth Trading Company for your continued support.

Sincerely,

Samuel M. Sato

President and Chief Executive Officer

Certain documents relating to corporate governance matters are available in print by writing to Mr. David Loretta, Secretary, Duluth Holdings Inc., 201 East Front Street, Mount Horeb, Wisconsin 53572 and on the Company's website at ir.duluthtrading.com under the "Corporate Governance—Documents & Charters" tab. These documents include the following:

- Amended and Restated Articles of Incorporation;
- Amended and Restated Bylaws;
- Code of Business Conduct and Ethics;
- Charter of the Audit Committee;
- Charter of the Compensation Committee; and
- Charter of the Nominating and Governance Committee.

Information contained on the Company's website is not deemed to be a part of this proxy statement.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Board currently consists of eight directors. The term of office of each of the directors expires at the 2022 annual meeting.

As previously announced, Brenda I. Morris will not stand for re-election at the 2022 annual meeting. Ms. Morris has served on our Board since September 2015. The Company thanks Ms. Morris for her many years of service to the Company.

Our amended and restated bylaws provide that the size of our Board of Directors will be determined from time to time by a majority of the then authorized number of directors. The Board of Directors has determined that following the 2022 Annual Meeting of Shareholders, the size of the Board will be reduced to seven members.

Our Board of Directors proposes that the nominees described below be elected as directors for a new term ending at the 2023 annual meeting of shareholders and until their successors are duly elected, except as otherwise provided in the Wisconsin Business Corporation Law. All of the nominees are currently serving as directors and are standing for re-election, except for Samuel M. Sato. Mr. Sato was recommended to the Nominating and Governance Committee and the Board by Stephen Schlecht, then serving as Executive Chairman and Chief Executive Officer.

The Board of Directors has determined that a majority of the current directors are independent as defined for companies trading on The NASDAQ Stock Market LLC ("NASDAQ"). The independent directors serving on our Board of Directors as of the date of this proxy statement include Ms. Francesca M. Edwardson, Mr. Thomas G. Folliard, Mr. David C. Finch, Ms. Brenda I. Morris, Mr. Brett L. Paschke, and Mr. Scott K. Williams.

In accordance with our amended and restated articles of incorporation and amended and restated bylaws, a nominee will be elected as a director by a plurality of the votes cast in the election of directors. A plurality means that the seven persons receiving the highest number of affirmative FOR votes at the meeting will be elected. Votes that are withheld and broker non-votes will have no impact on the election. In the event that a vacancy remains, the Board of Directors may fill such vacancy at a later date or reduce the size of the Board, subject to the procedures specified in the amended and restated articles of incorporation or amended and restated bylaws. Each of the nominees has indicated a willingness to serve as a director, but if any of the nominees should decline or be unable to act as a director, the persons named in the proxy will vote for the election of another person or persons as the Board of Directors recommends.

The descriptions in this section provide certain biographical information about each of the nominees for election as a director, followed by a statement regarding the specific experience, qualifications, attributes or skills that led to the Board's conclusion that each director should serve as a director of Duluth Trading.

The Board of Directors unanimously recommends that shareholders vote FOR the election of each of the nominees set forth below to serve as directors until the 2023 annual meeting and your proxy will be so voted unless you specify otherwise.

Board of Directors

Each director attended at least 75% of the Board meetings and meetings of committees in fiscal 2021. The Board held six meetings during fiscal 2021. While the Company does not have a policy regarding Board members' attendance at the annual meeting of shareholders, each director is encouraged to attend our annual meeting of shareholders in person. All of our directors attended our 2021 annual meeting telephonically due to the COVID-19 pandemic. As part of its corporate governance guidelines, the Board has established a general retirement age of 77, where no individual will be nominated for election to the Board after his or her 77th birthday. The Board may, at its discretion, waive the age limitation in special circumstances. While Mr. Folliard will be 77 at the time of Duluth Trading's 2022 annual meeting, the Board determined that, subject to the normal nomination processes, Mr. Folliard would be eligible to stand for election notwithstanding this age limitation.

Any interested party who wishes to communicate directly with an independent director or with the non-management directors as a group may do so by writing to the Secretary of the Company at 201 East Front Street, Mount Horeb, Wisconsin 53572 or by calling (608) 424-1544. The Secretary will forward a summary of all communications to that independent director or the non-management directors as a group.

Controlled Company

Because Mr. Schlecht controls a majority of our outstanding voting power, we are a "controlled company" under the corporate governance rules of NASDAQ. Therefore, we are not required to have a majority of our Board of Directors be independent, nor are we required to have a compensation committee or an independent nominating function. While our Board of Directors has determined to have both a compensation committee and nominating and governance committee, Mr. Schlecht serves as a member of both committees.

Board Composition

Our amended and restated bylaws provide that the size of our Board of Directors will be determined from time to time by a majority of the then authorized number of directors, but in no case may be less than one director. The Board of Directors currently consists of eight directors, six of whom qualify as independent directors under the rules and regulations of the SEC and the NASDAQ Listing Rules. Diversity information regarding the Board of Directors and independence information relating to the committees of the Board of Directors is provided below.

Independence of our Board of Directors and Board Committees

The rules of NASDAQ generally require that a majority of the members of a listed company's board of directors be independent. In addition, the listing rules generally require that, subject to specified exceptions, each member of a listed company's audit, compensation, and governance committees be independent. Although we are a "controlled company" under the corporate governance rules of NASDAQ and, therefore, are not required to comply with certain rules requiring director independence, we have nevertheless opted to have a majority of the members of our Board of Directors be independent.

Accordingly, our Board of Directors has evaluated the independence of its members based upon the rules of the NASDAQ Stock Market and the SEC and the transactions referenced under "Certain Relationships and Related Party Transactions." Applying these standards, our Board of Directors determined that none of the directors who currently serve, other than Mr. Schlecht and Mr. Sato, have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of those directors is "independent" as that term is defined under Rule 5605(a)(2) of the NASDAQ Listing Rules. Mr. Schlecht and Mr. Sato are not considered independent because Mr. Schlecht was previously employed as Chief Executive Officer and Executive Chairman of the Company, and is currently employed in the capacity of Senior Advisor, and Mr. Sato is currently employed as President and Chief Executive Officer of the Company. Our Board of Directors also determined that each non-employee director who serves as a member of the Audit, Compensation, and Nominating and Governance Committees satisfies the independence standards for such committee established by the SEC and the NASDAQ Listing Rules, as applicable.

Board Leadership Structure

The Board has not adopted a formal policy regarding the separation of the roles of chairman of the board and chief executive officer because the Board believes that it is in our best interests to make that determination from time to time based on the position and direction of our organization and the composition of our Board. As of the date of this proxy statement, the positions of the chairman of the board and the chief executive officer

are separated and the individuals serving in those positions remain actively involved, on a full-time basis, in our business. We believe this is appropriate because the Board includes a number of seasoned independent directors. In concluding that having Mr. Schlecht serve as Chairman and Mr. Sato serve as Chief Executive Officer represents the appropriate structure for us at this time, our Board considered the benefits of having the Chairman serve as a bridge between management and our Board, ensuring that both groups act with a common purpose. Our Board also considered Mr. Schlecht's knowledge regarding our operations and the industry in which we compete and his ability to promote communication, to synchronize activities between our Board and our senior management and to provide leadership to the Board in coordinating our strategic objectives.

Our Board also recognizes that depending on the circumstances, other leadership models, such as combining the roles of chairman of the board and chief executive officer as we have in the past, may again be appropriate. Accordingly, our Board may periodically review its leadership structure.

Committees of the Board

The Board has standing Audit, Compensation, and Nominating and Governance Committees, each of which is governed in accordance with a written charter. These charters are available on the Company's website at ir.duluthtrading.com under the "Corporate Governance—Documents & Charters" tab. Members of the Board serve on these committees until their resignation or until otherwise determined by our Board of Directors.

Audit Committee

Our Audit Committee is comprised of Mr. Folliard, Mr. Paschke and Ms. Morris. Mr. Folliard, Mr. Paschke and Ms. Morris satisfy the heightened audit committee independence requirements under the NASDAQ Listing Rules and Rule 10A-3 of the Exchange Act.

Mr. Folliard serves as chair of our Audit Committee and has been designated as our "audit committee financial expert," as that term is defined under SEC rules implementing Section 407 of the Sarbanes-Oxley Act, and possesses the requisite financial sophistication, as defined under the applicable rules and regulations of NASDAQ. The Audit Committee operates under a written charter. Under its charter, our Audit Committee is responsible for, among other things:

- overseeing our accounting and financial reporting processes;
- selecting, retaining and replacing our independent auditors and evaluating their qualifications, independence and performance;
- reviewing and approving the scope of the annual audit and audit fees;
- monitoring the rotation of the partners of our independent auditors on our engagement team as required by law;
- discussing with management and independent auditors the results of the annual audit and review of quarterly financial statements;
- reviewing the adequacy and effectiveness of our internal control policies and procedures;
- approving the retention of our independent auditors to perform any proposed permissible non-audit services;
- overseeing the internal audit function;
- reviewing cybersecurity and other information technology risks, controls and procedures, including mitigation strategies and planned responses to data breaches;
- preparing the Audit Committee report that the SEC requires in our annual proxy statement; and

- reviewing and evaluating the performance of the Audit Committee, including compliance with its charter.

The Audit Committee held six meetings during fiscal 2021.

Compensation Committee

The members of the Compensation Committee are Ms. Edwardson, Ms. Morris, Mr. Schlecht, and Mr. Williams. Ms. Edwardson serves as chair of the Compensation Committee. Ms. Edwardson, Ms. Morris, and Mr. Williams are non-employee directors within the meaning of Rule 16b-3 of the rules promulgated under the Exchange Act, and are independent directors as defined by the NASDAQ Listing Rules.

Under its charter, our Compensation Committee is responsible for, among other things:

- determining cash compensation and cash compensation plans, including incentive compensation, amounts and terms of stock option or other equity awards, and terms of any agreements concerning employment, compensation or employment termination matters;
- reviewing and approving corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers and evaluating their performance in light of those goals and objectives;
- monitoring the application of retirement and other fringe benefit plans for the Chief Executive Officer and other executive officers, periodically reviewing succession plans for the Chief Executive Officer and other executive officers and acting on behalf of the Board of Directors with respect to welfare plans and employee retirement;
- administering the issuance of restricted stock and other awards under our 2015 Equity Incentive Plan and any other equity incentive plans;
- reviewing succession plans for our key executive officers;
- establishing, administering and certifying attainment of performance goals as the committee deems appropriate;
- reviewing and assessing guidelines regarding Vice President-level employee and above and outside director stock ownership, and such employees' and directors' compliance with such guidelines;
- reviewing the compensation of the Board of Directors and its committees, and recommending revisions to the Board of Directors;
- administering the Company's Employee Stock Purchase Plan;
- periodically reporting to the Board of Directors regarding the committee's activities; and
- reviewing and evaluating the performance of the Compensation Committee, including compliance with its charter.

The Compensation Committee may delegate authority with respect to any of its functions to officers of the Company, committees comprised of such persons, or a subcommittee of the Committee, including a subcommittee consisting of at least two members, each of whom qualifies as a "non-employee director" within the meaning of Rule 16b-3 of the rules promulgated under the Exchange Act.

The Compensation Committee held three meetings during fiscal 2021.

For fiscal 2021, the Compensation Committee approved "executive officer"-related compensation and the Board ratified the compensation related to Mr. Schlecht during his tenure as Executive Chairman and Chief

Executive Officer, and to Mr. Sato, as President and Chief Executive Officer. The Compensation Committee has engaged the services of Meridian Compensation Partners, LLC (“Meridian”) to provide advice from time to time on executive officer and non-employee director compensation and matters related to the Company’s compensation practices. The Compensation Committee has evaluated the independence of Meridian pursuant to SEC and NASDAQ rules and no relationships were identified that would impact Meridian’s independence or present a conflict of interest.

Nominating and Governance Committee

The members of the Nominating and Governance Committee are Messrs. Finch, Schlecht, and Williams and Ms. Edwardson. Mr. Finch serves as the chair of the Nominating and Governance Committee. Messrs. Finch and Williams and Ms. Edwardson are independent directors as defined by the NASDAQ Listing Rules. Under its charter, our Nominating and Governance Committee is responsible for, among other things:

- providing recommendations to the Board of Directors to enhance the Board’s effectiveness;
- developing and recommending to the Board of Directors corporate governance policies, reevaluating such policies and recommending to the Board any revisions;
- overseeing the Company’s initiatives relating to environmental and social matters as they pertain to the Company’s business and long-term strategy, including diversity and inclusion and other initiatives related to the Company’s operations and engagement with associates, customers, suppliers, and communities;
- assessing the Board of Director’s needs and identifying suitable candidates for consideration as nominees to the Board;
- reviewing the qualifications of all candidates proposed for Board membership, including candidates nominated by shareholders in accordance with our bylaws;
- recommending annually to the Board of Directors the nominees to stand for election at the annual meeting and recommending nominees to fill vacancies on the Board as necessary and appropriate;
- developing and reviewing succession plans for the directors;
- coordinating the annual self-evaluation of the performance of the Board of Directors and each of its committees;
- recommending the creation of committees of the Board of Directors and recommending directors to be selected for membership on committees of the Board;
- evaluating and recommending to the Board of Directors appropriate levels and terms of the Company’s insurance for officers and directors;
- periodically reporting to the Board of Directors regarding the committee’s activities; and
- reviewing and evaluating the performance of the Nominating and Governance Committee, including compliance with its charter.

When reviewing the qualification of proposed Board nominees, including candidates nominated by shareholders in accordance with our bylaws, the Nominating and Governance Committee considers whether each candidate would qualify as independent under the applicable NASDAQ Listing Rules, and where appropriate, his or her financial expertise, and any other qualifications the Nominating and Governance Committee deems relevant.

The Nominating and Governance Committee held four meetings during fiscal 2021.

Board Oversight of Risk

The Board of Directors is actively involved in oversight of risks that could affect us. This oversight is conducted in part through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors intends to satisfy this responsibility through full reports by each committee regarding its considerations and actions, regular reports directly from officers responsible for oversight of particular risks within the Company as well as through internal and external audits.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of our executive officers currently serves, or has served during the last year, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

Policies and Procedures for Related-Party Transactions

Our Board of Directors adopted a written related party transaction policy regarding transactions with related persons. This policy requires that a "related person" (as defined in paragraph (a) of Item 404 of Regulation S-K) promptly disclose to our Chief Financial Officer any "related party transaction" (defined as any transaction that we anticipate would be reportable by us under Item 404(a) of Regulation S-K in which we were or are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest) and all material facts with respect thereto. The Chief Financial Officer will then promptly communicate that information to our Audit Committee. No related party transaction will be executed without the approval or ratification of our Audit Committee or our Board of Directors. It is our policy that directors interested in a related party transaction will recuse themselves from any vote on a related party transaction in which they have an interest. The policy also contains standing authorizations for certain transactions previously disclosed in the Company's filings with the SEC.

(1) The amounts in this column represent the aggregate grant date fair values of restricted stock awards granted in fiscal 2021 and fiscal 2020, computed in accordance with FASB ASC Topic 718 for the applicable fiscal year. The assumptions used to determine these values are described in Note 2 to our Consolidated Financial Statements in our annual report on Form 10-K for the fiscal years ended January 30, 2022 and January 31, 2021. Pursuant to the applicable rules of the SEC, amounts shown exclude the impact of the estimated forfeitures related to service-based vesting conditions.

(2) The NEOs participate in certain group life, health and disability insurance plans not disclosed in the Summary Compensation Table, that are generally available to salaried employees and do not discriminate in scope, terms, and operation. The NEOs also participate in an executive medical reimbursement plan with a total value of less than \$10,000 per NEO and is therefore not disclosed in the Summary Compensation Table.

(3) In light of the uncertainty regarding the COVID-19 pandemic, Mr. Schlecht waived his base salary, starting March 22, 2020. Upon the approval of the Board, Mr. Schlecht’s base salary was reinstated effective as of October 19, 2020.

(5) In light of the uncertainty regarding the COVID-19 pandemic, the base salaries for Messrs. Loretta, and Homolka were reduced by 20% from April 2020 to October 19, 2020.

Stephen L. Schlecht Employment Agreement

We entered into an employment agreement with Mr. Schlecht on August 5, 2015 (the "Employment Agreement") and amended and restated it on May 27, 2021 (the "Amended and Restated Employment Agreement"). Mr. Schlecht served as Executive Chairman and Chief Executive Officer until May 2021 and currently serves as Chairman and Senior Advisor under the Amended and Restated Employee Agreement. Under the Employment Agreement and the Amended and Restated Agreement, we agreed to pay a base salary with an annual opportunity to increase. Mr. Schlecht is also eligible for participation in the Company's annual incentive bonus plans offered by the Company to its senior executives from time to time. Mr. Schlecht will serve on our Board of Directors for the duration of his time as Senior Advisor. His employment with the Company will end on the date of the annual meeting of the shareholders of the Company in 2025, unless otherwise terminated earlier.

Mr. Schlecht and/or his family are entitled to participate in all applicable qualified and nonqualified retirement plans, and all applicable welfare benefit plans to the same extent as our other senior executives. Mr. Schlecht will also be reimbursed for reasonable out-of-pocket expenses incurred in the course of performing his duties for the Company in accordance with the Company's reimbursement policies for senior executives as in effect from time to time.

Mr. Schlecht's employment will be terminated under the following circumstances: (i) immediately upon his death or determination of "disability;" (ii) immediately for "cause" subject to the Company giving him written notice stating the basis of such termination; (iii) upon his voluntary termination other than with "good reason," with 90 days prior notice, or at such other earlier time as may be mutually agreed by the Company and such person; (iv) immediately by the Company without "cause" upon the Company providing notice to him; and (v) his termination for "good reason" at which time his employment and all the Company's obligations under the agreement will terminate except as specifically provided.

If Mr. Schlecht is terminated due to death or "disability," without "cause", or he resigns with "good reason," he will have the right to receive: (a) any unpaid base salary with respect to the period prior to the effective date of termination, (b) all vested benefits to which he is entitled under applicable benefit plans, (c) reimbursement of expenses in accordance with the Company's reimbursement policies (clauses (a)-(c) collectively, the "Accrued Obligations"), and (d) provided that he, or a representative of his estate, executes and delivers to us an irrevocable release of all employment-related claims against the Company, a pro-rated annual incentive bonus payment (based on the number of days worked in that fiscal year) for the fiscal year in which termination occurs based on actual performance-based bonus attainments for such fiscal year, payable in a lump sum. If Mr. Schlecht is terminated for "cause" or voluntarily terminates his employment other than with "good reason," he will have no further rights against us, except for the right to receive the Accrued Obligations.

The amended and restated employment agreement includes certain confidentiality, non-competition and non-solicitation restrictions during the term of employment and for a specified period of time thereafter.

Samuel M. Sato Employment Agreement

We entered into an employment agreement with Mr. Sato on May 3, 2021 (the "Effective Date"), pursuant to which he serves as President and Chief Executive Officer. Under the employment agreement, we agreed to pay a base salary with an annual opportunity to increase. Mr. Sato is also eligible for participation in the Company's annual incentive bonus plans and grants of equity compensation offered by the Company to its senior executives from time to time. Mr. Sato will serve on our Board of Directors for the duration of his time as President and Chief Executive Officer.

Mr. Sato and/or his family are entitled to participate in all applicable qualified and nonqualified retirement plans, and all applicable welfare benefit plans to the same extent as our other senior executives. Mr. Sato is also entitled to 200 hours of "paid time off" (i.e., sick days, personal days and vacation days) per calendar

year (pro-rated for partial years). Mr. Sato will also be reimbursed for reasonable out-of-pocket expenses incurred in the course of performing his duties for the Company in accordance with the Company's reimbursement policies for senior executives as in effect from time to time. The Company was obligated to reimburse Mr. Sato up to \$225,000 to relocate to Madison, Wisconsin in accordance with the Company's Senior Executive Relocation Policy.

Mr. Sato's employment will be terminated under the following circumstances: (i) immediately upon his death or determination of "disability;" (ii) immediately for "cause" subject to the Company giving him written notice stating the basis of such termination; (iii) upon his voluntary termination other than with "good reason," with 90 days prior notice, or at such other earlier time as may be mutually agreed by the Company and him (iv) immediately by the Company without "cause" upon the Company providing notice to him; and (v) his termination for "good reason" at which time his employment and all the Company's obligations under the agreement will terminate except as specifically provided.

If Mr. Sato is terminated due to death or "disability," he will have the right to receive: (a) any unpaid base salary with respect to the period prior to the effective date of termination, (b) payment of any accrued but unused paid time off, (c) all vested benefits to which he is entitled under applicable benefit plans, (d) reimbursement of expenses in accordance with the Company's reimbursement policies (clauses (a)-(d) collectively, the "Accrued Obligations"), and (e) provided that he, or a representative of his estate, executes and delivers to us an irrevocable release of all employment-related claims against the Company, a pro-rated annual incentive bonus payment (based on the number of days worked in that fiscal year) for the fiscal year in which termination occurs based on actual performance-based bonus attainments for such fiscal year, payable in a lump sum. If Mr. Sato is terminated for "cause" or voluntarily terminates his employment other than with "good reason," he will have no further rights against us, except for the right to receive the Accrued Obligations. If his employment is terminated without "cause" or he resigns with "good reason" and such termination does not occur within the period that begins 30 days prior to a "change in control" and ends two years following a "change in control", then Mr. Sato will have no further rights against the company except to receive the Accrued Obligations and "severance payments," but only for so long as he complies with certain confidentiality, non-competition and non-solicitation restrictions for a specified period of time after employment. "Severance payments" means twelve months of base salary continuation for Mr. Sato and a pro-rated annual incentive bonus payment (based on the number of days worked in that fiscal year) for the fiscal year in which termination occurs based on actual performance-based bonus attainments for such fiscal year. To the extent it does not result in a tax or penalty on the Company, "severance payments" also means reimbursement for the portion of the premiums paid by Mr. Sato to obtain COBRA continuation health coverage that equals the Company's subsidy for health coverage for active employees (including family coverage, if applicable) for twelve months for Mr. Sato, following the termination of his employment. Additionally, Mr. Sato's annual incentive bonus and the treatment of his equity awards will be governed by the terms of the applicable plans or grant agreements. If Mr. Sato is terminated "without cause" or for "good reason" during a "change in control period", then Mr. Sato will have no further rights against the Company except to receive the Accrued Obligations and "change in control severance payments", which includes (A) a lump-sum payment of two and one-half times the sum of (x) twelve (12) months of base salary and (y) annual target bonus for the fiscal year in which termination occurs, and (B) COBRA continuation payments for eighteen (18) months following the date employment terminates.

Under the employment agreement, we may compute whether there would be any "excess parachute payments" payable to Mr. Sato within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"), payable to him under his employment agreement or any other plan, agreement or otherwise. If there would be any excess parachute payments, we, based on the advice of our legal or tax counsel, will compute the net after-tax proceeds related to such parachute payments, taking into account the excise tax imposed by Section 4999 of the Code, as if (i) such parachute payments were reduced, but not below zero, such that the total parachute payments payable to Mr. Sato would not exceed three times the "base amount" as defined in Section 280G of the Code, less one dollar; or (ii) the full amount of such parachute payments were not reduced. If reducing the amount of such parachute payments otherwise payable would

result in a greater after-tax amount to Mr. Sato such reduced amount will be paid to him and the remainder will be forfeited. If not reducing such parachute payments otherwise payable would result in a greater after-tax amount to him, then such parachute payments will not be reduced.

The employment agreement includes certain confidentiality, non-competition and non-solicitation restrictions during the term of employment and for a specified period of time thereafter.

Offer Letters

Mr. Loretta and Mr. Homolka are not party to an employment agreement with us but received compensation in accordance with their offer letters with the Company, which describe the elements of their compensation, including base salary, short- and long-term incentive opportunities and eligibility to participate in the Company's healthcare and other benefit plans. Each element of compensation for these NEOs is subject to review and approval by the Compensation Committee.

Bonus Payouts and Annual Incentive Plan

We adopted the Annual Incentive Plan of Duluth Holdings Inc., which became effective February 1, 2016 and was approved by our shareholders in advance of our IPO.

Fiscal 2020 Bonus:

Due to the onset of the COVID-19 pandemic and uncertainty of its impact of Duluth Trading's business, the Compensation Committee did not establish performance metrics and related bonus opportunities under this Plan for fiscal 2020 with the understanding that bonus opportunities would be reassessed as the year progressed. Following the close of fiscal 2020 after taking into consideration Duluth Trading's better than expected fiscal 2020 performance, the Compensation Committee approved discretionary bonuses that were awarded to each of the NEOs.

Fiscal 2021 Bonus:

For 2021, and under our Annual Incentive Plan, the target awards for Mr. Schlecht and Mr. Sato were 100% of their base salaries, and the target awards for Mr. Homolka and Mr. Loretta were 50% of their base salaries. The performance metric for 2021 was Adjusted EBITDA, as further adjusted for unplanned expedited freight expenses. This metric for fiscal year 2021 resulted in an annual incentive payout of 137% of target.

Annual Incentive Plan

We adopted the Annual Incentive Plan of Duluth Holdings Inc., which became effective February 1, 2016 and was approved by our shareholders in advance of our IPO. The Compensation Committee approved amendments to the Annual Incentive Plan on February 21, 2018 in order to reflect the Tax and Jobs Act of 2017's repeal of the performance-based compensation exception under Section 162(m) of the Internal Revenue Code of 1986, as amended. The following is a description of the material features and provisions of our Annual Incentive Plan.

Objectives. Our Annual Incentive Plan permits us to establish a correlation between compensation and the financial performance of our Company by providing annual cash compensation to participants based on the achievement of specified performance goals.

Administration and Eligibility. The Annual Incentive Plan is administered by our Compensation Committee. The Compensation Committee has full power and authority to select the participants to whom awards will be granted and to determine the specific terms and conditions of each award, subject to the provisions of the Annual Incentive Plan. Participation in the Annual Incentive Plan is limited to our executive officers.

Awards. The Annual Incentive Plan provides for the grant of incentive awards, which entitle the participant to receive a cash award upon the attainment of specified performance goals for a given fiscal year. The Compensation Committee may specify one or more performance goals applicable to a participant for a given fiscal year. The Compensation Committee will establish a threshold, target, and maximum level of achievement for the specified performance goal(s) applicable to a participant's incentive award that will yield a corresponding threshold, target, or maximum award opportunity payable in cash. Unless otherwise determined by the Compensation Committee at the time the award opportunities are established, achievement of a performance goal between the various levels of achievement for the specified performance goal(s) will result in a payout that is linearly interpolated between the threshold and target opportunities and between the target and maximum opportunities.

The performance goals will be any one or more of the following performance criteria (the "Performance Goals"), either individually, alternatively or in any combination, applied to either the Company as a whole or to a business unit or subsidiary, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Compensation Committee in the award: net income; revenue; earnings per share; return on investment; return on invested capital; return on equity; return on assets or net assets; shareholder returns (either including or excluding dividends) over a specified period of time; financial return ratios; cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment); amount of expense; economic profit; gross profit; gross profit margin percentage; operating profit; operating profit margin percentage; amount of indebtedness; debt ratios; earnings before bonus, interest, taxes, depreciation or amortization (or any combination thereof); share value; return on capital employed; return on average capital employed; strategic business criteria, consisting of one or more objectives based on achieving specified revenue, market penetration, or geographic business expansion goals, or cost targets, or goals relating to acquisitions or divestitures, or any combination of the foregoing; customer satisfaction; productivity ratios; new product invention or innovation; attainment of research and development milestones; or such other subjective or objective performance measures, including individual goals deemed appropriate by the Committee.

The Compensation Committee may specify any reasonable definition of the above criteria at the time it sets the goals for an award.

Even if the Performance Goals applicable to a participant have been met, (i) no Incentive Award to such participant with respect to a performance year shall exceed \$5,000,000, and (ii) the Compensation Committee expressly reserves, in its discretion, the right to adjust any Incentive Award otherwise determined under the Plan to reflect any extraordinary items or such other factors as it may deem relevant if it determines it is in the best interests of the Company to do so.

Participants. Except as otherwise set forth in a written agreement between us and a participant or as determined by the Compensation Committee, a participant shall receive no incentive award for a year if the participant's employment with the company terminates prior to the last day of the fiscal year for which an award is applicable for any reason. A participant shall not forfeit an incentive award if the participant's employment terminates after the end of the applicable fiscal year, but prior to the distribution of the incentive award for such year.

2015 Equity Incentive Plan

We adopted the 2015 Equity Incentive Plan of Duluth Holdings Inc., which was effective following approval by our Board of Directors and shareholders upon consummation of our IPO. The following is a description of the material features and provisions of our 2015 Equity Incentive Plan.

Objectives. Our 2015 Equity Incentive Plan permits us to provide compensation alternatives such as stock options, shares, restricted stock awards, restricted stock unit awards, deferred stock awards and performance share awards, using or based on our Class B common stock.

Administration and Eligibility. The 2015 Equity Incentive Plan is administered by our Compensation Committee. The Compensation Committee has full power and authority to select the participants to whom awards will be granted, to make any combination of awards to participants and to determine the specific terms and conditions of each award, subject to the provisions of the 2015 Equity Incentive Plan. The Compensation Committee can delegate authority under the 2015 Equity Incentive Plan.

Authorized Shares. As of January 30, 2022, there were 3,236,232 shares of Class B common stock authorized for issuance under the 2015 Equity Incentive Plan and may be treasury stock or authorized but unissued stock. No individual participant will be eligible to receive grants of options for more than an aggregate of 807,315 shares of Class B common stock during any fiscal year; the aggregate number of shares of restricted stock that are subject to vesting based on Performance Goals (as that term is defined under the heading "Annual Incentive Plan") plus the number of restricted stock units that are subject to vesting based on Performance Goals granted

to any one participant during the fiscal year shall be limited to 807,315; and the maximum amount of performance share units granted to any one employee of the Company during any fiscal year will be limited to 807,315. For purposes of this limitation, the maximum number of performance share units granted will be determined based on a maximum number of shares of Class B common stock issuable under an award of performance share units, rather than the target number of shares of Class B common stock issuable thereunder.

Performance Goals. The 2015 Equity Incentive Plan allows awards to be granted based on the achievement of performance goals. The performance goals will be any one or more of the following performance criteria (the "Performance Goals"), either individually, alternatively or in any combination, applied to either the Company as a whole or to a business unit or subsidiary, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Compensation Committee in the award: net income; revenue; earnings per share; return on investment; return on invested capital; return on equity; return on assets or net assets; shareholder returns (either including or excluding dividends) over a specified period of time; financial return ratios; cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment); amount of expense; economic profit; gross profit; gross profit margin percentage; operating profit; operating profit margin percentage; amount of indebtedness; debt ratios; earnings before bonus, interest, taxes, depreciation or amortization (or any combination thereof); share value; return on capital employed; return on average capital employed; strategic business criteria, consisting of one or more objectives based on achieving specified revenue, market penetration, or geographic business expansion goals, or cost targets, or goals relating to acquisitions or divestitures, or any combination of the foregoing; customer satisfaction; productivity ratios; new product invention or innovation; attainment of research and development milestones; or such other subjective or objective performance measures, including individual goals deemed appropriate by the Committee. To the extent an award is subject to the achievement of a Performance Goal, the Compensation Committee shall identify the specific Performance Goal applicable to such award and it shall follow any procedures to certify that the Performance Goal(s) applicable to such award are met before the award is earned.

Awards. The 2015 Equity Incentive Plan allows awards of options, shares, restricted stock, restricted stock units, deferred stock and performance share units.

Stock options awarded under the 2015 Equity Incentive Plan may not have an exercise price that is less than the fair market value of the Class B common stock on the date of the option grant. The term of each option granted under the 2015 Equity Incentive Plan will not exceed ten years from the date of grant. The Compensation Committee will determine at what time or times each option may be exercised (provided that in no event may it exceed ten years from the date of grant) and, subject to the provisions of the 2015 Equity Incentive Plan, the period of time, if any, after a participant's death, disability or termination of employment during which options may be exercised.

Restricted stock awards are shares of our Class B common stock that vest in accordance with terms and conditions established by the Compensation Committee. The Compensation Committee may impose whatever vesting conditions it determines to be appropriate. Restricted stock that does not vest is subject to forfeiture. Restricted stock unit awards are units entitling the recipient to receive shares of stock upon the lapse of vesting conditions, and subject to such restrictions and other conditions, as the Compensation Committee shall determine.

Deferred stock is a right entitling the recipient to receive shares of stock paid out on a deferred basis, and subject to such restrictions and conditions, as the Compensation Committee shall determine.

Performance share units entitle the recipient to receive shares of stock upon the attainment of specified performance goals, and subject to such restrictions and conditions, as the Compensation Committee shall determine.

Persons holding unexercised options, restricted stock units, deferred stock or performance share units have no rights as shareholders with respect to such options, restricted stock units, deferred stock or performance share units. Except as otherwise provided by the Compensation Committee, no dividends, distributions or dividend equivalents will be made with respect to options, restricted stock units, deferred stock or performance share units.

The Compensation Committee determines the number of shares subject to awards granted to a participant under the 2015 Equity Incentive Plan.

Participants. If the employment of a participant terminates, or service to us by any non-employee participant terminates, other than due to the participants' death or disability or certain terminations following a change of control, all unvested awards held by such participant (except as otherwise provided in the related award agreement) will immediately terminate. Vested option awards, to the extent unexercised, will terminate 90 days after a participant's termination of employment or service and will be exercisable during the 90-day period, unless the award agreement provides otherwise.

If the employment of a participant terminates, or service to us by any non-employee participant terminates, due to death or following a participant's disability, all unvested awards then held by the participant (except as otherwise provided in the related award agreement) will become vested, and all option awards to the extent vested but unexercised will terminate one year after such termination of employment or service and will be exercisable during the one-year period, unless the award agreement provides otherwise.

Notwithstanding the foregoing, if a participant's termination of employment or service is a termination for cause, as defined in the plan, to the extent any award is not effectively exercised or has not vested prior to such termination, it will lapse or be forfeited immediately upon such termination. In all events, an award will not be exercisable after the end of its term as set forth in the related award agreement.

Plan Amendment or Termination. Our Board of Directors may, at any time, amend or terminate the plan. However, no amendment or termination may, in the absence of written consent to the change by the affected plan participant, adversely affect the rights of the participant or beneficiary under any award granted under the plan prior to the date such amendment is adopted. In addition, no amendment may increase the number of shares of our Class B common stock that may be delivered pursuant to awards under the plan without the approval of our shareholders, except for certain adjustments as set forth in the plan.

Combinations. In the event of any change in our outstanding Class B common stock by reason of a stock split, stock dividend, combination of shares, recapitalization, merger, consolidation or similar event, the Compensation Committee shall adjust proportionally the number of Class B common stock shares reserved for future issuance under the plan, the number of shares subject to outstanding awards, and the exercise price applicable to each option. In the event of a merger, consolidation, or reorganization with another corporation where we are not the surviving corporation, or a transaction in which we cease to be publicly traded, the Compensation Committee shall, subject to the approval of our board or the board of any corporation assuming our obligations, either substitute the award with a similar award from the surviving corporation or cancel the award and pay its value to the participant.

Change in Control. If, within twelve months following the date on which we experience a change in control, a participant's employment terminates without cause, including a voluntary termination of employment for good reason, all unvested awards then held by the participant will become vested, except as otherwise determined by the Compensation Committee or when an award is subject to a performance goal. When an award is subject to achievement of a performance goal, the achievement of the performance goal will be deemed satisfied at target performance level upon a change in control and the award will continue to vest based upon the time-based service vesting criteria, if any, contained in the award, except as may otherwise be determined by the Compensation Committee. Furthermore, for awards subject to a performance goal, if, within twelve months

following the date on which we experience a change in control, a participant's employment is terminated without cause, including a voluntary termination of employment for good reason, then any time-based service vesting criteria will be deemed satisfied upon the termination, except as otherwise determined by the Compensation Committee.

DIRECTOR COMPENSATION

In May of 2021, we updated our director compensation policy with the assistance of Meridian Compensation Partners, LLC. Under our previous director compensation policy, our non-employee directors received a \$40,000 annual cash retainer. For service on the Audit Committee, a non-employee director received an additional \$7,800 annual cash retainer. For service on the Compensation Committee and Nominating and Governance Committee, a non-employee director received an additional \$5,000 annual cash retainer. In lieu of the annual cash retainer for committee participation, each non-employee director serving as a chair of a board committee received the following annual cash retainer: \$15,000 for Audit Committee chair; \$10,000 for Compensation Committee chair; and \$7,500 for Nominating and Governance Committee chair. Each non-employee director also received an annual restricted stock grant of \$57,000 of Class B common stock under the 2015 Equity Incentive Plan based on the fair market value of the Class B common stock on the date of grant, which would vest on the first anniversary of the date of grant.

Under our current director compensation policy, our non-employee directors receive a \$45,000 annual cash retainer. For service on the Audit Committee, a non-employee director receives an additional \$9,000 annual cash retainer. For service on the Compensation Committee and Nominating and Governance Committee, a non-employee director receives an additional \$6,000 annual cash retainer. In lieu of the annual cash retainer for committee participation, each non-employee director serving as a chair of a board committee receives the following annual cash retainer: \$15,000 for Audit Committee chair; \$10,000 for Compensation Committee chair; and \$10,000 for Nominating and Governance Committee chair. Each non-employee director will also receive an annual restricted stock grant of \$75,000 of Class B common stock under the 2015 Equity Incentive Plan based on the fair market value of the Class B common stock on the date of grant, which will vest on the first anniversary of the date of grant. Grants are expected to be made in May of each year. Prorated grants will be made for partial years of service. All of our directors were reimbursed for reasonable travel and other expenses incurred in connection with attending board and committee meetings.

The following table sets forth information concerning compensation paid to our non-employee directors during the fiscal year ended January 30, 2022, for their service on our board. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

Except as indicated by the footnotes below, we believe, based on the information furnished to us, that persons and entities named in the table below have sole voting and investment power with respect to all the capital stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 3,364,200 shares of Class A common stock outstanding and 29,688,320 shares of Class B common stock outstanding as of the record date. Unless otherwise indicated, the address of each beneficial owner in the table is: Duluth Holdings Inc., 201 East Front Street, Mount Horeb, Wisconsin 53572.

PROPOSAL TWO: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has appointed KPMG LLP (“KPMG”), independent registered public accountants, to audit our consolidated financial statements for the fiscal year ending January 29, 2023 and has recommended to the Board of Directors that such appointment be submitted to the shareholders for ratification. KPMG audited our financial statements for the fiscal year ended January 30, 2022. Previously, Grant Thornton LLP (“Grant Thornton”) had audited our financial statements. Representatives of KPMG will be present at the annual meeting, will have an opportunity to make a statement if they so desire, and also will be available to respond to appropriate questions from shareholders.

If shareholders do not ratify the appointment of KPMG, the Audit Committee will take such action into account in reconsidering the appointment of our independent auditors for the fiscal year ending January 29, 2023.

The affirmative vote of a majority of the votes cast on this proposal shall constitute ratification of KPMG as our independent auditors for the fiscal year ending January 29, 2023. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will have no impact on the approval of the proposal.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of KPMG LLP as our independent registered public accountants for the fiscal year ending January 29, 2023, and your proxy will be so voted unless you specify otherwise.

Changes in Accountants

As previously disclosed in the Company’s Current Report on Form 8-K, dated April 13, 2021, the Company dismissed Grant Thornton as the Company’s independent registered public accounting firm on April 13, 2021 (the “Dismissal Date”). The Audit Committee, based on management’s recommendation, approved the dismissal of Grant Thornton.

The reports of Grant Thornton on the consolidated financial statements of the Company for the fiscal year ended January 31, 2021 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. Grant Thornton did not prepare a report for the fiscal year ended January 30, 2022.

During the fiscal year ended January 31, 2021, and through the Dismissal Date, there were no disagreements with Grant Thornton on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Grant Thornton, would have caused it to make reference thereto in its reports on the financial statements of the Company for such years.

During the fiscal year ended January 31, 2021, and through the Dismissal Date, there were no “reportable events” as defined under Item 304(a)(1)(v) of Regulation S-K, except with respect to the disclosure of a material weakness in internal control over financial reporting. As discussed in the Company’s Annual Report on Form 10-K for the year ended February 3, 2019, the Company reported a material weakness in internal control over financial reporting. Specifically, the Company determined that due to the lack of sufficient resources throughout fiscal 2018, the Company did not design and implement effective internal control activities to timely detect and resolve issues resulting from converting to a new order management system, nor did the Company consistently execute certain account reconciliations and analyses timely during fiscal 2018. To remediate the material weakness, the Company hired additional resources and reallocated existing resources to help ensure proper designing and implementing of effective internal control activities, and further automated and enhanced the reconciliation process controls and procedures to help ensure accounts were reconciled and reviewed timely. Based on the foregoing, the Company’s management concluded, through testing, that as of the nine months ended November 3, 2019, these controls were operating effectively, as disclosed in the Company’s Quarterly Report on Form 10-Q for the quarter ended November 3, 2019.

Also on April 13, 2021, the Audit Committee, based on management's recommendation, approved the selection of KPMG, effective immediately, as the Company's new independent registered public accounting firm. On April 13, 2021, KPMG completed their client acceptance procedures and officially accepted the engagement effective for the Company's fiscal year ending January 30, 2022.

During the fiscal years ended January 31, 2021 and February 2, 2020, and through April 13, 2021, neither the Company, nor anyone on its behalf, consulted KPMG regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the financial statements of the Company and neither a written report nor oral advice was provided to the Company that KPMG concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any matter that was the subject of a "disagreement" (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as described in Item 304(a)(1)(v) of Regulation S-K).

AUDIT COMMITTEE REPORT

In accordance with its written charter, the Audit Committee oversees all accounting and financial reporting processes and the audit of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its responsibility to our shareholders, the investment community and governmental agencies relating to the quality and integrity of our financial statements and the qualifications, independence and performance of our independent registered public accountants. During fiscal 2021, the Audit Committee held six meetings and discussed the interim financial information contained in each of our quarterly reports on Form 10-Q with the chief financial officer, controller, director of financial reporting, director of internal audit and independent registered public accountants prior to their filing with the SEC. The Audit Committee has appointed KPMG to serve as our independent registered public accountants for fiscal 2022.

Independent Registered Public Accountants Independence and Fiscal 2021 Audit. In discharging its duties, the Audit Committee obtained from KPMG, our independent registered public accountants for the fiscal 2021 audit, a formal written statement describing all relationships between KPMG and us that might bear on KPMG's independence in accordance with the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB"). In addition, the Audit Committee discussed with KPMG any relationships that may impact KPMG's objectivity and independence and satisfied itself as to KPMG's independence. The Audit Committee also independently discussed with management and KPMG the quality and adequacy of our internal controls, and reviewed with KPMG its audit plans, audit scope and identification of audit risks.

The Audit Committee discussed and reviewed with KPMG the matters required to be discussed by the applicable requirements of PCAOB and the Securities and Exchange Commission and, with and without management present, discussed and reviewed the results of KPMG's fiscal 2021 audit of the financial statements.

Fiscal 2021 Financial Statements and Recommendations of the Committee. The Audit Committee separately reviewed and discussed our audited financial statements and management's discussion and analysis of financial condition and results operations ("MD&A") as of and for the fiscal year ended January 30, 2022 with management and KPMG. Management has the responsibility for the preparation of our financial statements and the independent registered public accountants have the responsibility for the examination of those statements.

Based on the above-mentioned review, and discussions with management and KPMG, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our annual report on Form 10-K for the fiscal year ended January 30, 2022 for filing with the SEC.

(2) Audit-related fees consist of fees related to the audit of our employee benefit plan.

(3) Tax Fees consist of fees billed for tax compliance, tax advice and tax planning services.

(1) Audit fees consist of fees billed related to the audit of our annual consolidated financial statements included in our annual report on Form 10-K, as well as the review of our quarterly consolidated financial statements included in our quarterly reports on Form 10-Q.

All audit and non-audit services provided by KPMG and Grant Thornton were pre-approved by the Audit Committee.

In performing all of the functions described above, the Audit Committee acts only in an oversight capacity. The Audit Committee may not complete its reviews of the matters described above prior to our public announcement of financial results and, necessarily, in its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for the Company's financial statements and reports and internal control over financial reporting, and of the independent auditors, who, in their report, express an opinion on the conformity of the Company's annual financial statements to accounting principles generally accepted in the United States.

A shareholder who intends to present business other than pursuant to Rule 14a-8 at the 2023 Annual Meeting must comply with the requirements set forth in our amended and restated bylaws. To bring shareholder proposed nominations or other business before an annual meeting, our amended and restated bylaws require, among other things, that the shareholder submit written notice thereof to Duluth Trading’s executive offices not less than 90 days nor more than 120 days prior to the anniversary of the annual meeting of shareholders held the prior year. In addition to satisfying the foregoing requirements under our bylaws, to comply with the universal proxy rules (when effective) for the 2023 Annual Meeting of Shareholders, shareholders who intend to solicit proxies in support of director nominees other than the Company’s nominees must provide notice that complies with Rule 14a-19 under the Exchange Act by March 26, 2023.

DELINQUENT SECTION 16(a) REPORTS

Section 16(a) of the Exchange Act requires the Company’s directors and officers, among others, to file reports with the SEC disclosing their ownership, and changes in their ownership, of stock in the Company. Copies of these reports must also be furnished to the Company.
