

CHARTER
AUDIT COMMITTEE
OF THE
BOARD OF DIRECTORS OF DULUTH HOLDINGS INC.
(Adopted August 16, 2018)

I. PURPOSE

The Audit Committee is appointed by the Board of Directors of Duluth Holdings Inc. (the “Board” and the “Company”) to oversee the accounting and financial reporting processes of the Company and the audits of the Company’s financial statements. In that regard, the Audit Committee assists the Board in monitoring (1) the integrity of the financial statements of the Company, (2) the independent auditor’s qualifications and independence, (3) the performance of the Company’s internal audit function and independent auditors, (4) the compliance by the Company with legal and regulatory requirements, and (5) the information technology issues as well as cybersecurity risks, protection, and mitigation plans.

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the “Commission”) to be included in the Company’s annual proxy statement.

II. COMMITTEE MEMBERSHIP

The Audit Committee shall consist of no fewer than three members. Each member of the Audit Committee shall meet the independence and experience requirements of The NASDAQ Stock Market LLC (“Nasdaq”) Marketplace Rules and the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent the Company phases in compliance with these requirements in accordance with Nasdaq Marketplace Rule 5615(b). All members of the Audit Committee shall be able to read and understand fundamental financial statements. To help meet these requirements, the Company will provide Audit Committee members the opportunity for continuing education with the cost being reimbursed by the Company. No member of the Audit Committee shall have participated in the preparation of the financial statements of the Company in the past three years. At least one member of the Audit Committee shall be an “audit committee financial expert” as defined by the Commission. However, one director who does not meet the NASDAQ definition of independence, but who meets the criteria set forth in Section 10A(m)(3) under the Exchange Act and the rules there under, and who is not a current officer or employee or a family member of such individual, may serve for no more than two years on the Audit Committee if the Board, under exceptional and limited circumstances, determines that such individual’s membership is required by the best interests of the Company and its shareholders. Such individual must satisfy the independence requirements set forth in Section 10A(m)(3) of the Exchange Act, and may not chair the Audit Committee. The use of this “exceptional and limited circumstances” exception, as well as the nature of the individual’s relationship to the Company and the basis for the Board’s determination, shall be disclosed in the annual proxy statement.

In addition, if an Audit Committee member ceases to be independent for reasons outside the member's reasonable control, his or her membership on the Audit Committee may continue until the earlier of the Company's next annual shareholders' meeting or one year from the occurrence of the event that caused the failure to qualify as independent. If the Company is not already relying on this provision, and falls out of compliance with the requirements regarding Audit Committee composition due to a single vacancy on the Audit Committee, then the Company will have until the earlier of the next annual shareholders' meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. The Company shall provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the noncompliance, if it expects to rely on either of these provisions for a cure period.

The members of the Audit Committee shall be appointed and may be replaced by the Board.

III. MEETINGS

The Audit Committee shall meet as often as it determines necessary, but not less frequently than quarterly. The Audit Committee shall meet periodically in separate executive sessions with management, the internal auditors and the independent auditor, and have such other direct and independent interaction with such persons from time to time as the members of the Audit Committee deem appropriate. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

IV. COMMITTEE AUTHORITY AND RESPONSIBILITIES

The Audit Committee shall have the sole authority to appoint, determine funding for, and oversee the independent auditors (subject, if applicable, to shareholder ratification). The Audit Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. In this connection, the Audit Committee shall approve all the terms of engagement of the independent auditors, including the scope of services within the scope of the engagement. The independent auditor shall report directly to the Audit Committee.

The Audit Committee shall pre-approve all auditing services, internal control-related services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the independent auditor, subject to the *de minimis* exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit. The Audit Committee shall review and discuss with the independent auditor any documentation supplied by the independent auditor as to the nature and scope of any tax services to be approved, as well as the potential effects of the provision of such services on the independent auditor's independence. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, *provided* that decisions of such subcommittee to grant preapprovals shall be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to engage and determine funding for independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services for the Company and to any advisors employed by the Audit Committee, as well as funding for the payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties. The Audit Committee shall make regular reports to the Board.

The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval.

The Audit Committee, to the extent it deems necessary or appropriate, shall:
